I am very pleased to announce the appointment as Vice Chancellor for Research of Professor Graham Fleming, the Melvin Calvin Distinguished Professor of Chemistry at UC Berkeley, and former deputy director of Lawrence Berkeley National Laboratory.

His appointment is effective immediately. A full announcement of his appointment is available this morning on our Newscenter at http://www.berkeley.edu/news/media/releases/2009/04/01_vcrfleming.shtml

I also would like to thank Professor Robert Price for having served as Interim Vice Chancellor while the search for the Vice Chancellor was underway. Professor Price will resume his position as Associate Vice Chancellor for Research.

Robert J. Birgeneau
Chancellor
