

# ERSO Celebrations

Congratulations, Lauren - We salute you!

*"I'd like to give a big shoutout to Lauren Wolf for doing an amazing job covering for me while I was out! She truly went above and beyond to keep things running smoothly, and I can't thank her enough. Whether it was handling day-to-day tasks or jumping in to solve last-minute issues she handled everything like it was her own desk of work. I really appreciate her support and teamwork—it meant a lot to know things were being taken care of and I could relax and enjoy time off. I Salute you Lauren Wolf!!"*

## STAFF SPOTLIGHT - KRYSTLE BARTHOLOMEW

This month, we shine a spotlight on Krystle Bartholomew, HR Supervisor. Thanks for sharing, Krystle!

Friend's rendering of Krystle's dog, Kyber

In 1 word, please describe what you do in ERSO. **Assist**

In 2 words, please tell us about yourself. **Creative nerd**

You have 30 minutes to spend a million dollars. Where is your first stop? **I would pay off my mortgage, send some money to family and friends, and feverishly buy books until time runs out.**

What advice would you give to your teenage self? **Try a lot of new things, and don't be afraid to be a beginner.**

Worst song or movie ever? **"Blurred Lines"**

What is your perfect Saturday? **Enough time in the morning to enjoy a cup of coffee, a long walk or hike with my dog and husband, a few hours in the afternoon to get some writing done, cook a high-effort meal for dinner, and round out the evening with a video game and a good book.**

What question should we ask the next Spotlight colleague? **If you could only eat one meal for the rest of your life, what meal would you choose?**
