Alberto Marcelo – we salute you!

"I am pleased to nominate Alberto in recognition of his above and beyond efforts assisting CDSS HR with urgent last minute hiring for three new lecturers prior to the start of the semester, and to ensure they were onboarded before classes began.

These efforts ensured a smooth start to the semester for hundreds of students. In addition to this immense help, he has also recently lent his time in helping us figure out the best way to implement complicated multi-layered faculty appointments into UCPATH. His knowledge of campus HR systems and willingness to troubleshoot issues and provide guidance has been invaluable to us, and we are delighted to nominate him for this staff salute."
